## Pharmaceutical Grade Manufacturing

Enerjetics is manufactured in the USA using a pharmaceutical grade facility that exceeds the strict conformance of CGMP manufacturing.

## Quality Assurance Tests

Every batch of Enerjetics undergoes exhaustive testing to validate the safety and stability of the formulation. Quality tests include, but are not limited to, mold, pesticides, herbicides, heavy metals, allergens, yeast, bacteria, and several others. Lab test also verify the consistency and accuracy of the ingredient amounts listed on the label.

## Quality Ingredients

The same nutrient may be available in different forms. Enerjetics was formulated using the highest quality ingredients in the right combinations to provide the greatest benefit and value for you.

## Natural Superfruit Flavor

Enerjetics powder is 100% Goodness. The delicious and refreshing taste is derived from a blend of natural superfruits. There is no added sugars or high fructose corn syrup, and no artificial colors, flavors or preservatives.
