

ALIVAMAX

## Fountain of Youth

experience the miracle herb to longevity

Fountain of Youth known as the “destroyer of weakness” provides powerful rejuvenation properties.

Alivamax Shilajit has been touted for millennia as the best carrier of energy and nutrition into the human mind and body. Alivamax Shilajit is patented, standardized, and purified.

### Advanced Scientific Solution

Alivamax research and development scientists spent 30 years to develop the Alivamax Fountain of Youth. 5 US Patents and 3 Patents Pending it is truly the most premium Shilajit available for purchase.

### Shilajit is the Essence

About 40 million years ago, the Indian continent collided into Asia and formed the Himalayan mountain range. Tropical forests and marine life were crushed and compacted between massive boulders as the mountains formed. The compressed forests and marine life gradually transformed into a nutrient and mineral rich biomass loaded with medicinal humic, and fulvic acids.

## Unprecedented Medicinal Potential

### Renew Your Cells

Alivamax Shilajit is heralded as a panacea because of its ability to actually regenerate a cell by driving oxygen and nutrients into the cell and push damaging free radicals out of the cell.

### Bio-Availability

Alivamax Shilajit transforms minerals and nutrients in the body so they become bio-available so they can be delivered into a cell in the body.

### Energy

Alivamax Shilajit revitalizes the body and reduces fatigue. Alivamax Shilajit helps restore, boost and sustain energy and the cellular level.

### Mood Enhancement

Alivamax Shilajit has been shown to increase dopamine in the brain. Dopamine is a neurotransmitter that is responsible for feelings of well-being and contentment.

# ALIVAMAX

100% Goodness

\* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

## Memory & Mental Cognition

Alivamax Shilajit improves learning and memory retrieval by driving oxygen, minerals, and nutrients into the brain while protecting the brain from toxins. Alivamax Shilajit helps improve mental strength, stamina, promote concentration, clarity, and focus.

### Anxiety

Alivamax Shilajit has been shown to reduce anxiety caused by a state of exhaustion.

### Super Anti-Oxidant

Alivamax Shilajit can dramatically increase levels of super anti-oxidants such as Glutathione, Dismutase and Catalase to protect your brain and body.

### Immune Support

Alivamax Shilajit reduces inflammation by driving oxygen to the cells and increasing antioxidant activity. Alivamax Shilajit helps improve immune function, reduce cellular oxidative stress and revive the body's immune defenses.

### Detoxification

Alivamax Shilajit is rich in fulvic acid which allows energy and nutrition to be carried into the cell and toxins pulled out of the cell.
